- If you wish to sell alcohol or include alcohol in the ticket price of your function you will need to apply for a Temporary Event Notification (TEN) from South Glos council. Application for a TEN is the responsibility of the user. The contact no for South Glos is 01454 868686.

He/she/they must be made aware of their responsibilities (e.g. not serving minors, preventing drunkenness etc).
- Application for a TEN should only be made after consultation with the Booking Secretary as there is a legal limit to the number of TENs issued by the local authority for functions at the Community Centre each year.

- A copy of the MCCA Premises licence can be found on the notice board in the foyer. Currently, this covers plays, films, indoor sporting events, live music, recorded music, performance of dance, provision of facilities for dancing and making music but not the sale of alcohol.
- The Community Centre does not hold any licenses relating to the use of copyrighted live or recorded music. It is the responsibility of the hirer to obtain the appropriate licences from the Performing Rights Society (for live music) or Phonographic Performance Ltd (for recorded music).

- It is a reminder that it is your responsibility to ensure there are no gatecrashers.

Health and Safety

Kitchen

- If the event involves preparing, serving or selling food all relevant health and hygiene legislation and regulations must be observed.
- You **MUST remove all food products from the kitchen after use.**
- **Further requirements of the use of the kitchen equipment must be discussed prior to use and this must be agreed before any use of the kitchen.**

Halls and center

- Marshfield Community Centre does NOT have a public telephone. The Hirer MUST ensure that a working mobile phone is available to call the emergency services if needed. The nearest public telephone is in the High Street, adjacent to Central Stores.
- Any accidents occurring on the premises must be reported to the Health & Safety Committee member (Dawn Brooks on 07513106206) and recorded in the accident book by the sink in the foyer. Note in here what items you have used from the first aid box or replace them. A charge can be made for the used items. Certain types of accident must also be reported to the local authority so as to comply with the Reporting of Injuries, Diseases & Dangerous Occurrences Regulations 1995 (RIDDOR). The Health & Safety Committee member will assist in making this report. The first aid box is in the kitchen and foyer. All hirers should be aware of any safety risks that may occur during their booking and use preventative measures where appropriate.
- The Marshfield Community Centre is a "NO SMOKING" building. It is ILLEGAL to smoke on the premises. The emergency exits into the private preschool garden at the back of the large events hall must not be opened and smoking is strictly prohibited here. We will withhold the whole deposit amount for any booking found to have done so.
- The front garden of Marshfield Pre-school is prohibited to Marshfield Community Centre users. We will withhold the whole deposit for any booking found doing so.
- All mains-powered electrical equipment, including extension leads, brought onto the premises must have been inspected, tested and passed as safe by a competent person.

If the test is not a full PAT test, the equipment **MUST ONLY** be connected to a Centre mains outlet via an RCD safety device (the Centre has a limited number of these devices available to hirers). Precautions must be taken to avoid accidents caused by trailing cables.

Learning to live with the Covid Virus

- We are aware of the planned move to lifting the remaining Covid restrictions in England from the 19th July 2021. As we are a community centre for the general public use, we will ask that hirers take into consideration the amount of people they are allowed to attend their function. To manage ventilation where possible and if needed to open up doors to allow for ventilation. Please consider the use of face masks, especially in corridors or confined spaces.
- We will provide the continued use of Track and Trace, and offer hand sanitizing stations throughout the centre which we actively want people to use if desired.

Government guidance will set out how people can manage the risks to themselves and to others:

1. Meeting in well-ventilated areas where possible, such as outdoors or indoors with windows open.
2. Wearing a face covering where you come into contact with people you don't normally meet in enclosed and crowded spaces.
3. Wash your hands with soap and water or use hand sanitiser regularly throughout the day.
4. Covering your nose and mouth when you cough and sneeze.
5. Staying at home if unwell, to reduce the risk of passing on other illnesses onto friends, family, colleagues, and others in your community.
6. Considering individual risks, such as clinical vulnerabilities and vaccination status.

We would ask that you help manage the risk within your hired event in the hall.

In the event of a fire

- **Try to be aware of how many people you will need to account for in the event of a fire as the fire brigade will ask if anyone is left inside the building.**
- The stewards should supervise the evacuation of the Centre by the fire exits - these are clearly signed. On evacuating the building those present should assemble on the grassed area in front of the Centre.
- The Fire Brigade should be informed.
- The fire extinguishers provided should only be used if:- (1) this would not endanger those attempting to extinguish the fire, e.g. cause a significant delay in their leaving the building (2) the extinguisher(s) are suitable for use on the type of fire

- The Health and Safety Committee Member (Dawn Brooks on 07513106206) must be informed of the details of the incident. Please ensure the noise level is reasonable and not likely to disturb neighbours. Where possible keep the doors closed to reduce noise levels.

Indemnity & Insurance

- The Centre is insured against any claims arising out of its own negligence.
- Where appropriate the Hirer should be insured against claims resulting from the Hirer's negligence. The Hirer is reminded that Hirers are expected to make good any damage sustained and to pay for cleaning the Centre should it not be left clean.
